ORDERS IN COUNCIL.

GOVERNMENT HOUSE, VICTORIA.

3rd April, 1897.

PRESENT:

HIS HONOUR THE LIEUTENANT GOVERNOR
IN COUNCIL.

WHEREAS, section 112 of the "Mineral Act, 1896," enacts that upon any free miner applying to record any bill of sale or other instrument, the Mining Recorder shall enter in the free miner's certificate book the particulars of such free miner's certificate, giving number of certificate, date, place of issue, and to whom issued; and

Whereas, it has been represented to the Honourable the Minister of Mines, by the agent of the recorded owners of the "Eagle" mineral claim that an application for a certificate of work in respect of the said claim was sent to the Mining Recorder at New Denver, on the 16th day of July, 1896, and that through an oversight on the part of the said agent, a statement of the particulars of the free miner's certificate, held by the maker of the said application, was furnished to the Mining Recorder instead of the full particulars of the free miner's certificates of the owners of the claim; and

Whereas, owing to the non-receipt of the aforesaid requisite particulars, the Mining Recorder was unable to issue a certificate of work until the 15th day of August, 1896; and

Whereas, the time within which such certificate should have been obtained, expired on the 27th day of July, 1896; and

Whereas, the owners of the "Eagle" claim have made application to the Lieutenant-Governor in Council, for an order to relieve them of the forfeiture of their interest in the said mineral claim, occasioned by the clerical error of the aforementioned agent.

Now, therefore, His Honour the Lieutenant-Governor, by and with the advice of His Executive Council, and under the authority conferred on him by section 161 of the "Mineral Act, 1896," to make such orders as are deemed necessary to meet the cases which may arise, and for which no provision is made in the said Act, has been pleased to authorise, and does hereby authorise, the Mining Recorder at New Denver to alter the date of the certificate of work issued by him in respect of the "Eagle" mineral claim, from the 15th day of August, 1896, to the 27th day of July, 1896.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 20th day of March, 1897.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL
IN COUNCIL.

WHEREAS the regulations governing the issue of licenses and permits to cut timber in Manitoba, the North-west Territories, and within the railway belt in the Province of British Columbia, established by the Governor in Council, provide that a settler having no timber of his own may upon application obtain a permit to cut such quantity of building timber, fencing timber, or fuel, as he may require for use on his land, not exceeding the following:

1. 1,800 feet of building timber, no log to be over 12 inches at the butt end.
2. 400 roof poles.
3. 2,000 poplar fence rails, no rail to exceed five inches at the butt end.
4. 30 cords of dry wood.
5. Burnt and fallen timber of a diameter up to seven inches inclusive, for fuel or fencing.

And whereas it appears from reports received from Crown Timber Agents that the quantity of timber now allowed to a settler free of dues, is not sufficient to erect all the buildings which are required by such settler on his farm,—

His Excellency, by and with the advice of the Queen's Privy Council for Canada, is pleased to order that the quantity of green timber which may be cut by a settler under permit as above set forth be increased from 1,800 to 3,000 lineal feet; that no restriction be made as to the diameter of the burnt or fallen timber, which may be taken for building purposes; but that the diameter of this class of timber to be used for fuel and fencing shall not exceed seven inches inclusive.

The Returning Officer, after the declaration of the poll, shall retain the ballot papers and boxes until a Clerk shall be duly appointed, to whom he shall forthwith deliver the same.

Every person who shall have presented himself for nomination, and who shall have been elected a Municipal Alderman or Mayor, must serve for the term for which he has been elected, unless in the case of sickness, or in default pay a sum of fifty dollars towards the Municipal Revenue; such sum, with costs, shall be recoverable by the Clerk of the Municipality, summarily before any Justice of the Peace.

At the first meeting, or as soon thereafter as possible, the Council may elect a Clerk, Treasurer, Collector, and Assessor, or such officers as they may deem necessary, who shall hold such office during the pleasure of the Council, and receive such remuneration as the Council may by by-law appoint.
